We are residents of Tega Cay, SC and customers of Tega Cay Water Service, Inc.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

We enjoy living in Tega Cay, SC, albeit on a relatively fixed income.

Tega Cay Water Service, Inc. requested and was granted a rate increase only a couple of years ago.

Tega Cay Water Service, Inc. has over-promised and under-delivered with regard to mitigating sewer spills into our Lake Wylie environment. Additionally, the quality of our potable water is questionably within the DHEC limits.

The lack of performance by Tega Cay Water Service, Inc. continues to threaten not only the quality of life in Tega Cay, but also impacts real estate property values and the attractiveness of our community.

Any rate increase granted at this time would be an egregious breach of fiduciary responsibility by those who profess to represent the best interests of their constituents.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \*

Yes, please.
